

Newsletter Office of Sponsored Programs (OSP)

May 2007

MSC – Office B-622

(787) 758-2380

Information disseminated by the Division of Sponsored Programs Development (DSPD), Ext. 1749.

Program: AHRQ Individual Postdoctoral Fellowship Awards (F32)

Agency: Agency for Healthcare Research and Quality

Next Deadline: Aug 08, 2007

Supports postdoctoral research training in the social, medical, management, or health sciences related to the delivery, financing, or quality of health care services. Fellowships provide opportunities for one or more years of academic training & supervised experience in applying research methods to the systematic evaluation of health services. Eligibility is limited to applicants who have completed clinical or research doctoral degrees. See

<http://www.ahrq.gov/fund/training/trainix.htm#Programs>

for details. E-mail: training@ahrq.gov

**Program: Grants for Public Health Research
Dissertation**

Agency: Centers for Disease Control and Prevention

Next Deadline: Aug 10, 2007
Program supports research (R36) undertaken as part of an academic program to qualify for a doctorate. Award supports dissertation research costs for students in accredited research doctoral programs in the US. Dissertation applications must focus on methodological and research topics that address the mission and research interests of CDC. Grants are awarded for up to one year, with the possibility of extension without additional funds for up to 12 months. See <http://www.cdc.gov/od/pgo/funding/CD07-002.htm> for details. E-mail: SKC4@cdc.gov

Program: Post-Doctoral Fellowships

Agency: Christian de Duve Institute of Cellular Pathology

Next Deadline: Aug 15, 2007
Supports one- year fellowships in Brussels for young scientists (MD or Ph.D., preferably not older than 33) that provide additional training in the disciplines of biomedical research covered by the

Institute, including: cell biology; immune defences; hormones & metabolism; tropical diseases; infectious pathogeny; metabolic investigations; connective tissues; & human molecular genetics. Monthly stipends are approximately \$1800 Euro. Deadlines are 1/15 & 8/15 annually. See <http://www.icp.ucl.ac.be/fellowship.html> for details. E-mail: opperdoes@trop.ucl.ac.be

Program: Postdoctoral Fellowship Awards

Agency: Damon Runyon Cancer Research Foundation

Next Deadline: Aug 15, 2007

Postdoc Fellowships support 3 yrs of research in theoretical & experimental research (causes, mechanisms, therapies, & prevention) relevant to cancer. Level I (beginning at \$43,000) supports physician scientists who have completed the MD, PhD, DDS, or DVM within 1 yr of the review date. Level II (beginning at \$55,000) supports physician scientists who have completed residency or clinical training within 3 yrs of the review date. Applicants must be sponsored by a senior scientist. Other programs are available. See

Program: Geriatric Training Program for Physicians, Dentists & Mental Health Professions

Agency: Health Resources and Services Administration

Next Deadline: Jun 07, 2007

Provides two-year fellowship programs and/or one-year retraining programs for physicians, dentists, and behavioral and mental health professionals who teach or plan to teach geriatric medicine, geriatric dentistry, or geriatric behavioral and mental health. Eligible entities include: schools of medicine, osteopathic medicine, teaching hospitals, and graduate medical education programs. A minimum of three fellows, one from each discipline, is required each year of the award. For

FY 07, \$7 million is available to fund twelve awards. See: <http://tinyurl.com/36ong4> for details. E-mail: jweiss@hrsa.gov

Program: Brian D. Novis Research Grants

Agency: International Myeloma Foundation

Next Deadline: Aug 31, 2007

Supports research to improve the quality of life for myeloma (malignant tumor of the bone marrow) patients while working toward prevention & cure. Awards of \$40,000/year for projects lasting up to two years are for junior researchers working in multiple myeloma. Eligibility is limited to applicants who have completed postdoctoral studies or clinical fellowships no later than 8/1 of the application year, & have the ability to devote 50 percent of their time to research. Awards of \$80,000 are for senior researchers. See

<http://www.myeloma.org/> for "research." E-mail: lpaik@myeloma.org

Program: Kirschstein-NRSA Predoc Fellowships to Promote Diversity

Agency: National Institutes of Health

Next Deadline: Aug 13, 2007

Most NIH institutes support individual predoctoral

fellowships (F31) in specified areas of biomedical & behavioral sciences for individuals from racial & ethnic groups; individuals with disabilities; & individuals from disadvantaged backgrounds. Applicants should show potential to become productive, independent investigators & are encouraged to consult appropriate Institute website & contact. PA expires 4/14/10. See <http://grants1.nih.gov/grants/guide/pa-files/PA-07-106.html>

Program: Small Grants for Behavioral Research in Cancer Control

Agency: National Institutes of Health

Next Deadline: Aug 22, 2007

Support small grants (R03) for new investigators or established scientists refocusing their interests to behavioral research in cancer control. Award provides support for pilot or feasibility studies projects, development & testing of new methodologies, development & testing of new research technology, secondary analysis of existing data, self-contained research projects, or innovative studies that provide a basis for more extended research (see also <http://dccps.nci.nih.gov/smallgrants/>). PAR expires 12/23/08. See

Program: Fellowships for Human Embryonic Stem Cell Research

Agency: National Institutes of Health

Next Deadline: Aug 08, 2007

NIGMS, NHLBI, NICHD, NIDDK, NIDCD & NIEHS support individual postdoctoral & senior fellowships (F32 & F33) for training in human embryonic stem cell research (HESC). Goal is to train highly skilled research scientists to pursue research problems on the basic characteristics of HESC & their applications to the study of disease. Candidates must be citizens or non-citizen nationals, or must have been lawfully admitted to the U.S. for permanent residence. PA expires 1/3/08. See <http://grants.nih.gov/grants/guide/pa-files/PA-05-013.html>
