

Newsletter Office of Sponsored Programs (OSP)

April 2007-3

MSC – Office B-622

(787) 758-2380

Information disseminated by the Division of Sponsored Programs Development (DSPD), Ext. 1749.

GRANTS.GOV ANNOUNCEMENTS

04/06/07

TITLE: Pharmacological Approaches to Combating Antimicrobial Resistance (R01)

FON: RFA-AI-07-025

AGENCY:

U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); National Institute of Allergy and Infectious Diseases (NIAID)

ITEM:

Notice seeking applications to support studies that apply pharmacokinetic and pharmacodynamic principles to studies on the prevention of emergence of antimicrobial drug resistance. This initiative is also intended to stimulate and strengthen collaborations between antimicrobial pharmacologists and infectious disease researchers.

ACTION:

Letters of Intent are requested, but not required, by September 18, 2007. Applications are due by October 18, 2007. Approximately \$3 million is available in FY 08 to fund 5-8 applications.

TITLE: Cooperative Agreement for the Development, Operation, and Evaluation of an Entertainment Education Program

FON: CDC-RFA-HM07-702

AGENCY: U.S. Department of Health and Human Services (HHS); Centers for Disease Control and Prevention (CDC); National Center for Health Marketing

ITEM:

Notice seeking applications to support studies that raise awareness and behavioral change concerning public health issues through the use of the television media as means of accessing the television viewing public by providing (1) accurate public health information to entertainment industry leadership for possible inclusion in television storylines; (2) assistance with public health outreach; and (3) evaluation of public health television storylines and the effect on the viewing public.

ACTION:

Letters of Intent are requested, but not required, by April 25, 2007.

Applications are due by June 7, 2007. Approximately \$700,000 is available to fund one award.

TITLE: Bioengineering Research Partnerships (BRP)

FON: PAR-07-352

AGENCY: U.S. Department of Health and Human Services (HHS); National Institutes of Health (NIH); Multiple Institutes

ITEM:

Notice seeking applications for R01 applications to support bioengineering partnerships for basic, applied, and translational multi-disciplinary research that addresses important biological or medical research problems. Bioengineering integrates physical, engineering, and computational science principles for the study of biology, medicine, behavior, or health.

ACTION: Applications are due by June 5, October 5, and February 5, annually.

TITLE: Department of Defense (DoD) Prostate Cancer Research Program Synergistic Idea Development Award

FON: W81XWH-07-PCRP-SIDA

AGENCY: U.S. Department of Defense (DoD); U.S. Department of the Army; U.S. Army Medical Research & Materiel Command (AMRMC)

ITEM:

Notice seeking applications to support innovative, high impact approaches to prostate cancer research involving up to three independent, faculty-level (or equivalent) investigators who address a central problem or question in prostate cancer research from synergistic and complementary perspectives.

ACTION:

Preapplications are due by May 22, 2007. Applications are due by June 12, 2007. \$6.7 million is available for 6 awards. Colleges and universities are eligible to apply.

TITLE: Department of Defense (DoD) Ovarian Cancer Research Program (OCRP) Translational Research Partnership

FON: W81XWH-07-OCRP-TRP

AGENCY:

U.S. Department of Defense (DoD); U.S. Department of the Army; U.S. Army Medical Research & Materiel Command (AMRMC)

ITEM:

Notice seeking applications to support projects for the development of translational research collaborations between two independent, faculty level (or equivalent), investigators to address a central problem or question in ovarian cancer in a manner that would be less readily achievable through approaches based in a single laboratory.

ACTION:

Preapplications are due by May 9, 2007. Proposals are due by August 9, 2007. \$3.5 million is available for 3 awards. Colleges and universities are eligible to apply.

TITLE: Department of Defense (DoD) Breast Cancer Research Program Synergistic Idea Award

FON: W81XWH-07-BCRP-SIA

AGENCY:

U.S. Department of Defense (DoD); U.S. Department of the Army; U.S. Army Medical Research & Materiel Command (AMRMC)

ITEM:

Notice seeking applications to support collaborations between two independent, faculty-level (or equivalent), investigators who address an innovative, high-risk, potentially high-reward breast cancer research question from synergistic and complementary perspectives.

ACTION:

Preapplications are due by May 22, 2007. Proposals are due by June 12, 2007. \$15 million is available for 25 awards. Colleges and universities are eligible to apply.

TITLE: Fiscal Year 2008 Young Investigator Research Program

FON: AFOSR-BAA-2007-7

AGENCY:

U.S. Department of Defense (DoD); Air Force Office of Scientific Research (AFOSR); Air Force Research Laboratory (AFRL)

ITEM:

Notice seeking applications to support scientists and engineers who have received Ph.D. or equivalent degrees in the last five years (on or after

1 May 2002) and who show exceptional ability and promise for conducting basic research. Proposals addressing the research areas of interest for the Air Force Research Laboratory will be considered.

ACTION:

Applications are due by July 24, 2007. Colleges and universities are eligible to apply.

04/09/07

TITLE: Clinical Interventions to Increase Organ Procurement

FON: HRSA-07-077

AGENCY: U.S. Department of Health and Human Services (HHS); Health Resources and Services Administration (HRSA)

ITEM:

Notice seeking applications to support the implementation, evaluation and dissemination of interventions to increase procurement of organs in the setting of controlled and/or uncontrolled donation after circulatory determination of death.

ACTION:

Applications are due by May 10, 2007. Approximately \$1 million is available to make 4 awards. Eligible interventions must have a component of collaboration between hospitals and Organ Procurement Organizations.

TITLE: National Maternal and Child Oral Health Resource Center

FON: HRSA-07-037

AGENCY: U.S. Department of Health and Human Services (HHS); Health Resources and Services Administration (HRSA)

ITEM:

Notice seeking applications to support a center to collect information about oral health programs and initiatives; and provide information and materials to health professionals, policy makers, consumers, and others to assist them in improving oral health services for children, adolescents and their families.

ACTION:

Applications are due by May 10, 2007. Approximately \$600,000 is available to make 1 award. Any public or private entity is eligible to apply.

TITLE: Geriatric Education Centers

FON: HRSA-07-108

AGENCY: U.S. Department of Health and Human Services (HHS); Health Resources and Services Administration (HRSA)

ITEM:

Notice seeking applications to support the development of Geriatric Education Centers. Training must involve four or more health profession disciplines, one of which must be allopathic or osteopathic medicine.

ACTION:

Applications are due by May 14, 2007. Approximately \$17.2 million. available to make 50 awards. Eligibility limited to schools of medicine; schools of dentistry, schools of osteopathic medicine, schools of pharmacy, schools of optometry; schools of podiatric medicine; schools of veterinary medicine; schools of public health; schools of chiropractic; graduate programs in clinical psychology, clinical social work, health administration, and behavioral health and mental health practice; programs for the training of physician assistants; schools of allied health; and schools of nursing.

TITLE: National Center on Elder Abuse (NCEA)

FON: HHS-2007-AOA-AB-0704

AGENCY: U.S. Department of Health and Human Services (HHS); Administration on Aging (AoA)

ITEM:

Notice seeking applications to support the development of Geriatric Education Centers. Training must involve four or more health profession disciplines, one of which must be allopathic or osteopathic medicine.

ACTION:

Applications are due by June 22, 2007. About \$815,000 is available for three cooperative agreements and one grant, ranging from \$75,000 - \$300,000. One contract will be awarded through a separate procurement to operate the website for the NCEA information clearinghouse and an E-mail listserve for elder abuse prevention and related professionals. Any public or private entity is eligible to apply. Cost sharing is required.
